

Support SATC Now!

Serving At The Crossroads (SATC) is a non-profit corporation and donations are tax deductible. Monetary contributions, cases of pharmaceuticals, equipment and services from physicians, dentists and other healthcare professionals are always appreciated. Donations of any size will help.

Our clinic serves 10,000 people per year with episodic care and medications. Your contribution can make a difference in the lives of our Honduran brothers and sisters. Can you find it in your heart to help? Had you considered giving an alternative gift in the name of a specific family member, friend or associate?
